Interim and final provisions

- All fees related to financial instruments trading and not included in the order execution report (bank transfer fee, swift expenses, costs for payment system, etc.) are shown in a special calculation report and the Bank is entitled to charge them to the Clients.
- If the Client should fail to pay any of the fees defined by this Schedule of charges as due, the Bank shall be entitled to withhold the Client's funds held on any account and/or financial instruments, and use such funds and/or financial instruments to settle outstanding amounts without any further request or approval, subject to prior notice to the Client.
- The Schedule of Charges refers to services provided by the Brokerage Team.
- The Bank may agree with Clients other fees than the ones defined by this Schedule of Charges and contract the provision of services not covered by this Schedule of Charges, in which case the Bank shall, prior to the provision of these services, present to the Client the estimation of expenses to be charged to the Client following the execution of the agreed transaction.
- The service of receipt and transfer and the service of order execution shall be free of VAT pursuant to the Value Added Tax Act and the Value Added Tax Ordinance.
- The Bank is entitled to unilaterally modify this Schedule of Charges. In the event of any change of third-party fees defined by this Schedule of Charges, the Bank may charge such fees without modification of this Schedule of Charges according to the third party's valid price list.
- In some cases, the Bank reserves the right to make decision to decrease previously stated fees
- The Bank shall publish any amendments to the Schedule of Charges on the Bank's website www.otpbanka.hr or <https://www.otpbanka.hr/globalna-trzista/dokumenti-globalnih-trzista>

valid from 14.07.2025..
