**The brokerage fee is calculated as a percentage of the total transaction value and includes charges of domestic and foreign brokers.

***The minimum brokerage fee is translated to kuna according to the middle foreign exchange rate of the Croatian National Bank prevailing on the transaction date.

**** The brokerage fee is calculated in transaction currency, according to the middle foreign exchange rate of the Croatian National Bank prevailing on the transaction date

Financial instruments settlement and custody fees:

Market	Transaction settlement	Financial instrument custody fee
Region 1	100 HRK	0,30%
Region 2	400 HRK	0,30%
Region 3	600 HRK	0,60%

Transaction costs are denominated in foreign currency and in HRK according to the middle foreign exchange rate of the Croatian National Bank prevailing on the transaction execution date.

Financial instruments custody fee

Custody fee rates are expressed as annual rates for an average length of year of 365 days. The financial instrument custody fee is calculated on the market value of assets in the account on the last day of the month. Asset value is calculated according to the CNB middle foreign exchange rate prevailing on the calculation date. The fee shall be subject to VAT payment.

Other fees related to trading with financial instruments abroad

The Bank reserves the right to additionally charge all extraordinary and other unexpected expenses related to the implementation of the transaction or related services, as well as all incurred duties and taxes, costs of custodian bank or payment operations, corporate actions, extraordinary reports and other third-party expenses as actually incurred, irrespective of whether they are indicated as chargeable in this Schedule of Charges or not.

Other costs include, for example:

- tax on buying and selling transactions according to the valid rate in United Kingdom
- tax on buying transactions according to the valid rate in France, Italy, Spain
- third party fee for W8BEN template validation, valid for 3 years in the amount of 45 EUR + VAT
- third party fee for tax client allocation, shares owners in USA – template 1042-S, yearly in the amount of 300 EUR + VAT

Interim and final provisions

- All fees related to financial instruments trading and not included in the order execution report (bank transfer fee, swift expenses, bank costs for the Croatian Large Value Payment System/HSVP etc.) are shown in a special calculation report and the Bank is entitled to charge them to the Clients.
- If the Client should fail to pay any of the fees defined by this Schedule of charges as due, the Bank shall be entitled to withhold the Client's funds held on any account (either kuna or foreign currency) and/or financial instruments, and use such funds and/or financial instruments to settle outstanding amounts without any further request or approval, subject to prior notice to the Client.
- The Schedule of Charges refers to services provided by the Brokerage Team.
- The Bank may agree with Clients other fees than the ones defined by this Schedule of Charges and contract the provision of services not covered by this Schedule of Charges, in which case the Bank shall, prior to the provision of these services, present to the Client the estimation of expenses to be charged to the Client following the execution of the agreed transaction.
- The service of receipt and transfer and the service of order execution shall be free of VAT pursuant to the Value Added Tax Act and the Value Added Tax Ordinance.
- The Bank is entitled to unilaterally modify this Schedule of Charges. In the event of any change of third-party fees defined by this Schedule of Charges, the Bank may charge such fees without modification of this Schedule of Charges according to the third party's valid price list.
- In some cases, the Bank reserves the right to make decision to decrease previously stated fees
- The Bank shall publish any amendments to the Schedule of Charges on the Bank's website www.otpbanka.hr or <https://www.otpbanka.hr/globalna-trzista/dokumenti-globalnih-trzista>
